The New York Rising Community Reconstruction Program (NYRCR) has been established to provide additional rebuilding and revitalization assistance to communities severely damaged by Summer 2013 flooding.

Public Open House Workshop

As part of the New York Rising Community Reconstruction Program, members of the community are invited to provide input on aspects of the County's Resiliency Plan and share their knowledge on:

- assets that need be protected from future storm events, and
- specific needs and opportunities that will make the County more resilient.

This will be an open house-style event.

Drop in any time between 5:30pm and 7:30 pm.
